2. Click on the **Advanced** and Select **Network** Tab then Click **Settings**

The screenshot shows the Mozilla Firefox browser interface. The address bar displays the URL www.iium.edu.my/lib. The page content includes the IIUM Library logo, navigation tabs for HOME, PROGRAMMES & COURSES, and ADMISSIONS & APPLICATIONS, and a sidebar with links for About Us, Staff, Collections, Services, and Facilities. The main content area features the text "IIUM Library" and "Library Research GATEWAY".

The "Options" dialog box is open, with the "Network" tab selected. The "Network" tab contains the following settings:

- Connection:** Configure how Firefox connects to the Internet. A "Settings..." button is visible.
- Cached Web Content:** Your web content cache is currently using 350 MB of disk space. A "Clear Now" button is visible. There is an unchecked checkbox for "Override automatic cache management" and a "Limit cache to" field set to 350 MB of space.
- Offline Web Content and User Data:** Your application cache is currently using 0 bytes of disk space. A "Clear Now" button is visible. There is a checked checkbox for "Tell me when a website asks to store data for offline use" and an "Exceptions..." button. Below this, there is a list of websites allowed to store data for offline use, with a "Remove..." button.

The dialog box has "OK", "Cancel", and "Help" buttons at the bottom.

3. On the **Connection Settings** , click on the **Automatic Proxy Configuration URL**

The screenshot shows a Mozilla Firefox browser window displaying the International Islamic University Malaysia website. The browser's address bar shows the URL www.iium.edu.my/lib. The website header includes the university's name in Malay and English, along with its logo and a 30th anniversary emblem. The main navigation menu contains links for HOME, PROGRAMMES & COURSES, and ADMISSIONS & APPLICATIONS. A large banner image shows a student in profile. Below the banner, there is a sidebar with links for About Us, Staff, Collections, Services, and Facilities. The main content area features the 'IIUM Library' logo and a 'Library Research GATEWAY' banner with an image of a laptop. A 'Latest News' section on the right shows two news items: 'On Trial Data News' dated 11 Mar 2014 and 'IIUM Library' dated 19 Aug. The Windows taskbar at the bottom shows the Start button and several open applications: CENTRES FOR EXCE..., Reports Background..., International Islamic..., Microsoft PowerPoin..., and C:\Documents and ...

The 'Options' dialog box is open, with the 'Connection Settings' tab selected. The 'Configure Proxies to Access the Internet' section has the following options:

- No proxy
- Auto-detect proxy settings for this network
- Use system proxy settings
- Manual proxy configuration:
 - HTTP Proxy: [] Port: [0]
 - Use this proxy server for all protocols
 - SSL Proxy: [] Port: [0]
 - ETP Proxy: [] Port: [0]
 - SOCKS Host: [] Port: [0]
 - SOCKS v4 SOCKS v5
- No Proxy for: [localhost, 127.0.0.1]
- Example: .mozilla.org, .net.nz, 192.168.1.0/24
- Automatic proxy configuration URL: [] [Reload]

Buttons at the bottom of the dialog are OK, Cancel, and Help.

4. Type proxy address in the address box (<http://210.48.222.80/proxy.pac>) the clic Restart your Desktop before you can access the IIUM Library Database.

The screenshot displays a Mozilla Firefox browser window with the International Islamic University Malaysia (IIUM) website open. The browser's address bar shows the URL www.iium.edu.my/lib. The website header includes the IIUM logo and navigation links for HOME, PROGRAMMES & COURSES, and ADMISSIONS & APPLICATIONS. The main content area features a large image of a student and the text "IIUM Library" and "Library Research GATEWAY".

Overlaid on the browser window is the "Options" dialog box, specifically the "Connection Settings" tab. The "Manual proxy configuration" option is selected. The "Automatic proxy configuration URL" field contains the text <http://210.48.222.80/proxy.pac>. The "No Proxy for:" field contains the text "localhost, 127.0.0.1". The "OK" button is highlighted.
